

Northern New York Volunteer Firemen's Association, Inc.

15 October 2015

To: All Northern NYVFA Members

The Northern New York VFA is embarking on a project to purchase a Stained Glass Window at the Firemen's Home Chapel. We are asking all of our Member Fire Departments and individual members and Ladies Auxiliaries to help us gather funds for this project. All NY State Sectional organizations have committed to the purchase of a Window Representing their own geographic area that they represent. The NNYVFA does not have enough Funds in its treasury to accomplish this. We are asking that our Fire Department members try to commit to the window in the amount of \$200.00. Any individuals who wish to contribute are more that welcome to help in any way they can by sending their checks to the Secretary of the NNYVFA at PO Box 293, Colton, NY 13625.

The Cost of this Stained Glass window is estimated to cost between 8-10 Thousand dollars depending on how elaborate the design is. The NNYVFA is going to commit \$4000.00 to this project and we would like for our members to be able to help out with this. We ask that at your next Department meeting; please address this subject with your membership. NNYVFA is one of the last organizations to commit to a project of this size. This Firemen's Home is your home and is for your use when the time comes for us to end our years with a dignity that a volunteer fireman deserves. It only behooves us to help in its support. We thank you for your kind consideration.

Chapel Window Committee

Dennis Eickhoff, Chairman
